2021

Hockeywolf is a family-owned business that started in 2008 as a small pro-shop in Missoula, Montana. We have grown from one employee to a staff of 30+ supporting hockey retail stores in Missoula and Seattle and full-service team sales across the United States.

Our main goal has always been to build long-term mutually beneficial relationships. We support youth, junior and college programs offering the entire range of uniforms, gear and apparel. With our experienced staff, dedicated warehouse and a full-service decoration shop, HockeyWolf has become the premier hockey team sales business in the United States.
